

## CAMISTIC SUBMISSION

By Aarushi Vohra and Madhav Goel  
Modern School, Barakhamba Road

Title:

He is looking for memories

Caption:

The journey of dementia is a journey like no other.

It makes you realise there is no time to waste.

How precious every moment and memory is precious, a treasure in its own way.

The disease might hide the person underneath but there's still a person in there who needs your love and attention.
